

Free Food

<p>Free Food, you make me glad. You take a bad day and make it better. I must remember to be the first in the queue, And hope I don't spill, it all down my sweater.</p>	<p>Hey jude, don't make it bad. Take a sad song and make it better. Remember to let her into your heart, Then you can start to make it better.</p>
<p>Free Food, you make my life. I might write you, a great love letter. The minute I let you into my life , I start to beg like an Irish Setter.</p>	<p>Hey jude, don't be afraid. You were made to go out and get her. The minute you let her under your skin, Then you begin to make it better.</p>
<p>And anytime and place round here, Free Food, appears, You can bet that John is there on time. For we all know that he's no fool he plays it cool Before taking his share of all the wine.</p>	<p>And anytime you feel the pain, hey jude, refrain, Don't carry the world upon your shoulders. For well you know that it's a fool who plays it cool By making his world a little colder.</p>
<p>Free Food, don't let me down. Let there be baguettes, with ham and cheddar. I remember, the greatest day of my life When there were pieces, of Parma and feta.</p>	<p>Hey jude, don't let me down. You have found her, now go and get her. Remember to let her into your heart, Then you can start to make it better.</p>
<p>So get it out and get stuck in, Free Food, begins, You're waiting for someone to pass a Viva . And even though it's not for you, Free Food, will do, Helping me save myself a fiver.</p>	<p>So let it out and let it in, hey jude, begin, You're waiting for someone to perform with. And don't you know that it's just you, hey jude, you'll do, The movement you need is on your shoulder.</p>
<p>Free Food, when things look bad. And there are dark skies and stormy weather. Remember to take it back to your desk, It will begin to make it Better better better better better better, oh.</p>	<p>Hey jude, don't make it bad. Take a sad song and make it better.
