

Don't Stop Believing

Just a small town girl
Livin' in a lonely world
She took the midnight train
Goin' anywhere
Just a city boy
Born and raised in South Detroit
He took the midnight train
Goin' anywhere

A singer in a smokey room
The smell of wine and cheap perfume
For a smile they can share the night
It goes on and on and on and on

Strangers waiting
Up and down the boulevard
Their shadows searching
In the night
Streetlight people
Livin' just to find emotion
Hidin' somewhere in the night

Working hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice
Just one more time

Some will win
Some will lose
Some where born to sing the blues
Oh, the movie never ends
It goes on and on and on and on

Strangers, waiting
Up and down the boulevard
Their shadows searching
In the night
Streetlight people
Livin' just to find emotion
Hidin' somewhere in the night

Don't stop believin'
Hold on to that feelin'
Streetlight people
Don't stop believin'
Hold On
Streetlight people
Don't stop believin'
Hold on to that feelin'
Streetlight people

Don't Stop Retrieving

Just a little low
Wrapping up within the flow
It's steered by the jet stream
Towards Wokingham
Just a PhD
Born and raised in Birmingham
He took some observations
For Wokingham

Plotting data in a lonely room
Rainfall from a convective plume
My radar working through the night
It steers round and round and round and round

Chilbolton, scanning
Up and down the cumulus
Detecting rainfall
In the night
Exciting drizzle
Giving me so much emotion
Sittin' somewhere up in Lyle

Tipping bucket starts to fill
Observing rain is such a thrill
I'm always checking the dBZ
Just one more time

Doppler shifts
Show the winds
Maybe tonight I'll be on the news
Telling them about radar
I'll go on and on and on and on

Chilbolton, scanning
Up and down the cumulus
Detecting rainfall
In the night
Exciting Drizzle
Giving me so much emotion
Hidin' somewhere up in Lyle

Don't stop retrieving
Signals we believe in
Detecting rainfall
Don't stop retrieving
RADAR!!
Detecting rainfall
Don't stop retrieving
My signal's now decreasing
Detecting rainfall
