DEPARTMENT of METEOROLOGY

Toy Story: Department of Meteorology

Directed and produced by Michael Johnston and Bethan Harris

Scene 1

We join Maarten at his square birthday party where he receives a surprise present – Buzz. Meeting the other toys, Buzz sparks a bit of “healthy” competition.

Scene 2

The best way to deal with a bit of competition is to just get rid of it, right? With healthy eating as a ruse, Woody tests this theory... but it backfires!

Scene 3

Our crafty villain from across the Wilderness makes an unexpected appearance and captures Woody and Buzz, taking them to the evil lair...

Interval Entertainment featuring the staff and Jon Shonk

Scene 4

Under strict guard, Woody and Buzz bear witness to the horrors of Lyle. How will they get back to Met?

Scene 5

Can Woody and Buzz get back to Met before Maarten notices they're gone? Will they be replaced?

**After Party with DJ Shonk in the Meteorology Coffee Area
until midnight**
